

**The permanent and temporary exhibitions of the Gül Baba Cultural Centre and Exhibition Hall, as well as the inner garden, can be visited again in the usual opening hours, without an immunity card.**

**There is a summary of the most important information about visiting the Gül Baba Cultural Centre and Exhibition Hall below:**

- **Hand sanitizers are available** at the entrance of the museum and at several points in the institution, please use them upon entry and during your visit!
- We are kindly asking our guests to visit our institution **only asymptotically!**
- During the visit, please **keep the safe distance** (1.5 m).
- Entrance to the museum is free. Cash and card payments are possible at the Café and the Gift Shop, but **we recommend using a credit card.**
- **Maximum 90 people** could enter and stay in the museum at a time, visitors arriving in addition may have to wait before entering.
- We can only accept **pre-registered groups of more than 10 people** (adults and school groups, max. up to 30 people). Without pre-registration, groups can enter the museum depending on the occupancy of the museum spaces. **Please registrate the arrival of the group at least one week before the visit** via e-mail at **info@gulbabaalapitvany.hu!**

Thank you for your cooperation!
